

## Bucket elevator technical parameters

| Specification | Max.lifting height<br>(m) | Conveying capacity<br>(m <sup>3</sup> /n) | Pitch of buckets<br>(mm) | Motor power<br>(kw) |
|---------------|---------------------------|---|--------------------------|---------------------|
| 160 type      | 28                        | 3-8                                       | 500                      | 3-7.5               |
| 200 type      | 31.5                      | 6-15                                      | 500                      | 3-7.5               |
| 250 type      | 30.16                     | 10-25                                     | 500                      | 4-11                |
| 300 type      | 30.16                     | 25-35                                     | 500                      | 5.5-15              |
| 400 type      | 39                        | 35-55                                     | 512                      | 7.5-22              |
| 500 type      | 38                        | 70-95                                     | 512                      | 15-30               |
